PARTNER

ABOUT US

We are a group of specialists with a strong vocation for innovation.

Fly Free Airways is a new Tour Operator and broker which manage business travels on demand and fly solutions for business and tourism

About the Private Jet market, it is estimated a worth more than 1 billion euros only in Italy and currently increasing
(source: PwC in an interview by Pisu CEO of jetprivati.it)

Competitive Positioning

There are many websites of flight sharing but nothing which combines innovation and sustainability, both from an economic and environmental point of view.

FlyFreeAirways.it does not own property aircrafts (only one in thruth) but relies on a team of companies based in several territories, which growing together with FlyFreeAirways and thanks to this partnership, are able to provide passengers with all the latest technologies, comforts and several dedicated services
